

UL Style No. 1523

RoHS

테프론(ETFE) 절연 전선

Teflon(ETFE) insulated wire

제품의 설명

- UL File No. E157965
- Standard : UL Subject 758
- Use : In back panel areas of electronic computers and business machines where not subjected to movement or mechanical damage
- Temperatures exceeding :105°C

RATING

STYLE No	Volt.(max)	Tem p.(max)
1523	Not specified	105°C
